

INVITATION

Don't Be Fooled!

Preventing Foreclosure & Loan Modification Scams in Washington State

Co-Sponsored by the Federal Deposit Insurance Corporation, Seattle-King County Asset Building Collaborative, and Tacoma Improving Livability Through Homeownership Team

The number of foreclosure and loan modification scams is growing throughout Washington State. At-risk homeowners are losing money and their homes to scam artists who ruthlessly prey on those who are facing foreclosure.

You are cordially invited to attend a symposium to learn about the legitimate and free resources available to keep your clients and congregants out of the grasp of scammers.

Thursday, September 16, 2010
