

PEARLS Report Definitions

	Report Item	Monthly Report	PEARLS Definition
1	Referral/Recruited	# referrals and # to date.	Date when counselor received name.
2	Screening	# screened out and # to date.	Client terminated up to session two.
3	Enrolled	# enrolled and # to date.	Client completed session one (including baseline survey) and agreed to participate.
4	Disenrolled	# disenrolled and # to date.	Client completed two or more working sessions, but less than six. If had a session in May, but also disenrolled in May then count as disenrolled for May.
5	Ongoing Sessions	# ongoing during the month.	Completed two or more sessions, but not finished last session. If completed last session in April, should be counted as ongoing in April, not May. (still in session)
6	Post Session Phone	# in phone session mode	Completed sessions and are receiving monthly phone calls.
7	Completed	# completed and # to date.	Completed sessions and completed monthly phone calls. Certificate sent.
8	Active Caseload	# active – auto calculated field	Enrolled plus ongoing and post phone calls.
