

## Listening Session: Your Age-Friendly Future

The Seattle-King County Advisory Council on Aging & Disability Services, Snohomish County Council on Aging, and Seattle Housing Assistance Group (SHAG) invite you to discuss elements of an age-friendly future with elected officials from north Seattle and south Snohomish County:

- Seattle City Councilmember Debora Juarez, District 5 North Seattle
- State Representative Cindy Ryu, 32nd Legislative District

State and local governments recognize the “age wave” we face as our population grows older. What should be their long-term vision? What goals can be achieved in the near future? What can be accomplished over the next 10 years? What services need to be in place for you to grow older in your home and community? Bring your ideas!

**Friday, August 12, 2016 • 11:45 a.m.–1:30 p.m.**

**SHAG Interurban Building  
14002 Linden Avenue North, Seattle**
