The Americans with Disabilities Act (ADA) of 1990 is a comprehensive civil rights law that Congress enacted to end discrimination against people with disabilities. Title II of the ADA requires the City of Seattle to provide people with disabilities an equal opportunity to access City services, programs and activities. Come join the discussion on Thursday, June 15th, 10-11am at the Central Building, 810 3rd Avenue in the 1st Floor conference room. Holly Delcambre, the Citywide ADA Title II Coordinator, will provide an update on the Americans with Disabilities Act, new standards of accessibility, and what this means for you.

For questions about accessibility or to request an accommodation, contact Rowena Rye (206-684-0500 or [seniors@seattle.gov](mailto:seniors@seattle.gov)). Requests should be made as soon as possible (at least three days prior to the event).

Mayor's Office for Senior Citizens Coffee Hours are held on the third Thursday of every month at the Central Building and on other dates in Seattle neighborhoods.

The events bring community elders closer to City officials to explore topics of interest. Presentations often include cutting edge information about healthy aging, legal and planning issues, and more.

Participants learn about City programs and services, and officials hear from their constituents.
