

We are Community Living Connections.

We are a network of advocates for people facing aging or disability issues. Older adults, adults with disabilities, caregivers, family members and professionals can call us to get objective, confidential information about community resources and service options.

1-844-348-5464

We're community centered.

We've built an extensive network of community partners who reflect the cultural and ethnic diversity of the people they serve. We provide information in multiple languages and can provide culturally appropriate assistance.

Are you facing aging or disability issues?

We can help.

Call us toll free at
1-844-348-5464
and you'll be
connected
to one of our
advocates.

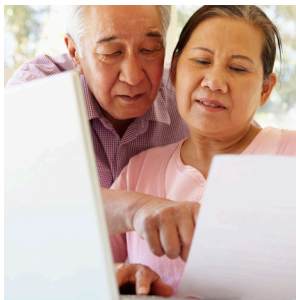

Here's how we can help. And how you can get it.

What services are available?

Our services include:

- Information and assistance accessing community resources
- Individual consultation and help planning for long term care needs
- Access to family caregiver support services

How do I get help?

Call toll free at **1-844-348-5464** and you'll be connected to one of our advocates. They will give you the information you need and provide easy access to the right resources through our wide network of community partners.

How much does it cost?

Your questions will be answered at no cost. All calls are free and confidential.

How will you help me?

Our advocates take the time to listen to you. They have extensive knowledge and access to community resources giving us the ability to answer your questions and provide options that are tailored to your needs.

Do you have resources in my community?

Our range of community partners gives us the ability to connect people with resources close to their home or community. If local resources are not available, we'll work with you to find a solution that meets your needs.
