

Training on Assistive Technology Tools and Creative DIY Solutions to Support Older Adults and People With Disabilities

Thursday, May 31, 2018

9:30 a.m. - 12:30 p.m.

Bethaday Community Learning Space

605 SW 108th St, Seattle 98146

Participants will learn to match functional needs of older adults and people with disabilities to a wide range of assistive technologies and DIY solutions. View demos of a variety of assistive devices and explore creative low-cost options to assist with mobility, memory, hearing, vision, communication, and more. Participants will come away equipped to pass this info on to other groups.

Space is limited. RSVP here: www.surveymonkey.com/r/WATAP
