ADS Helps People Live Independently

Aging and Disability Services is the Area Agency on Aging for Seattle-King County

Aging and Disability Services (ADS) is one of 13 Area Agencies on Aging in Washington state sanctioned by federal and state governments. ADS plans, coordinates, and advocates for a comprehensive service delivery system for older adults, family caregivers, and people with disabilities throughout King County—the local aging services network.

The aging network includes community providers, advocacy organizations, government agencies, and health care providers, working in partnership to:

- Improve health and quality of life for older adults and adults with disabilities.
- Connect older adults and adults with disabilities to resources.
- Provide help and support for caregivers.
