P1# 209454501	Pest Control Guard Pest Control (GPC) 7715 74 th Dr NE Marysville, WA 98270	Phone: (206) 486-1110 Email: katetaylor@guardpestcontrol.com	<ul style="list-style-type: none"> • Ants (Sugar, Carpenter, Pavement, Moisture*) • \$449 per Inspection, Treatment, & One Follow-up Visit in a 45-day time frame *GPC does not recommend chemical treatments to treat moisture ants which are best resolved through the removal and replacement of wet wood. At the request of our clients we will provide chemical treatment in cooperation with remediation of moisture issues to fully resolve this issue. Estimate for remediation work provided after completion of initial inspection. • German Cockroach • \$449 per Inspection, Initial treatment, up to Two Follow-up Treatments in a 45-days. Cockroach infestations are closely linked to client cooperation following cleaning recommendations—beyond 45 days would require compliance with recommended cleaning & initiation of new treatment cycle. • Fleas \$229/\$249/\$269 per Inspection, Treatment, One Follow-up Visit as needed 45 days following initial treatment per <1,000/1,000-2,000/> 2,000 sq. ft. • Stinging Pests* \$279/\$329 per Unit Inspection & Treatment Nest & Entry Area/Exterior Multi-unit Bldg. up to 2 Stories, respectively (excludes Honey Bees). • Pantry Pests (Moths, Beetles, Other Pantry Pests) \$429 per Unit Inspection & Treatment. Includes 60-day warranty. • Occasional Pest Invaders (Spiders, Springtails, Earwigs, Silverfish, Mites, Millipedes, Centipedes, Firebrats, Pill Bugs, Sow Bugs, Clothes Moths, Flies) \$449 per Inspection & Treatment. Includes 60-day warranty. • Bedbugs <ul style="list-style-type: none"> ➢ \$249 per Unit for Inspection, Installation of monitoring device and follow-up visit. *If more than 10 units at same site, price reduced to \$149/Unit. GPC recommends inspection monitoring of all adjoining units. ➢ \$1,349/\$1,549/\$1,749 per Residence (up to 1,000 sq. ft - 25% cost increase for each additional 500 Square Feet) for Level I Infestation (<20 bedbugs)/ Level II Infestation (20-100 bedbugs)/ Level III Infestation (>100), respectively. Includes Chemical Treatment of Affected Area/Personal Items, 1 Mattress Cover, Monitor Stations and Follow-up Visit. Excludes residents with treatment complications including – excessive cluttering, overcrowding, resident sleeping on floor, excessive spotting – these will be treated with Level 2 Protocol. ➢ \$99/\$15/\$30/\$5 per Additional Mattress Cover/Treatment Bag in Excess of 50 bags/Packing per bag (client fails to or is unable to complete prep) /Lost Monitoring Stations. GPC utilizes a standard bio-pesticide and chemical treatment of residence & personal items followed with monitoring to ensure resolution. Resident must be away from home during treatment and 4 hours following. Includes follow up visit. All beds must be encased. • Rodents <ul style="list-style-type: none"> ➢ \$449 per Unit Initial Inspection, Trap Placement, Follow-up Trap Check. Exterior rodent bait stations monitored monthly: \$20.00 per a bait station (minimum bait stations - 4 bait stations/bldg) for a total of \$80.00/ month. *Rodent access points will be identified on inspection and GPC will provide a written report of repairs needed along with an estimate. ➢ \$200-\$1200 for Rodent Access Point Exclusion. Estimate provided after inspection. *If extensive damage/repair necessary & estimate exceeds quoted average, GPC will provide photos/report detailing recommended work to be completed.
