

GetCare Training Sessions Round 2, October 2021

GetCare Overview

This session will repeat content from the August GetCare Overview sessions. All are welcome to attend.

9/29 (Wednesday): 1-3pm

[Click here to join the meeting](#)

Program-Specific Training

The sessions below will provide more specific instruction on data entry required by program, including searching for, editing and creating a client file, entering and updating assessments if required, creating and editing service enrollments and recording units of service. This document will be updated as sessions are added. If the options below won't work for you, please contact your ADS program specialist.
