

Join us for optional drop-in sessions with a trainer! We are here to support you with the new GetCare direct entry process. These are intended to be open sessions for all GetCare users. We can cover:

- How to search for, modify and enter new client files
- A refresher on the data entry process
- Tools for service unit recording, including batch unit uploads
- Troubleshoot any individual user issues including GetCare access and permissions
- Please bring your questions!
